A LITTLE LOCAL GUIDE TO

# Buenos Aires

*Make time for the afternoon*

ARGENTINA

Good days, small discoveries & a rhythm of your own.

HELLO, TRAVELER

# Find your little corner.

You do not need to see everything. Start with a place you would enjoy coming back to.

## 01 Palermo

Cafés and an active scene. Choose a home that makes your daily food and work stops easy to repeat. Walk the last stretch before deciding whether it suits the stay you want.

## 02 Recoleta

Culture and residential comfort. Choose a home that makes your daily food and work stops easy to repeat. Walk the last stretch before deciding whether it suits the stay you want.

## First morning

Put your bags down, find something to eat and take one short walk near your home. Learn the return route while it is light. A familiar corner is a good first discovery.

A DAY TO EASE INTO

# Start small. Leave room.

Three ways to shape a first day. Use transport between areas when needed; there is no need to rush through every stop.

1

A gentle beginning

## Explore Palermo

Start with this as your first anchor, then leave time for a drink or a meal before deciding what comes next.

2

A proper pause

## An ice-cream intermission

Give this its own pocket of time. Pick the part that interests you rather than trying to cover everything at once.

3

One small adventure

## Rosedal walk

Keep this as another day's possibility if the first two plans already feel full. There is no prize for finishing the list.

A FEW GOOD REASONS TO GO OUT

# Follow your curiosity.

Give Palermo more than a pass-through. Pair a walk in the Rosedal with one nearby garden or cultural stop, then leave the next part of the day open. Returning to the same streets at another hour can tell you more than crossing town to tick off another sight.

## Palermo neighborhood walk

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

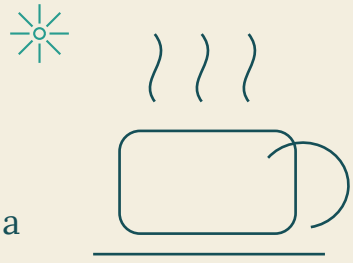

## Palermo food exploration

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

ONE SMALL WAY INTO A PLACE

# Stay for lunch.

## An ice-cream intermission

Helado is a good reason to stop walking for a while. Pick a flavor you know and one that makes you curious. Around Palermo, the dining scene also leaves room for pizza, international kitchens and an evening meal that becomes the main plan.

### Make it your own

Choose the version that suits your appetite and dietary needs. Ask about fillings, sauces and preparation rather than assuming a dish is the same everywhere.

## A *little ritual*

Return to a place you liked. Learn a name, notice what changes on the menu, and let an ordinary meal become part of the memory.

FOR THE DAYS YOU WORK

# A desk.
# A little balance.

Leave part of the week ordinary. A comfortable working day gives the exploring days room to breathe.

## Huerta · Selected CABA branch

A work option to ask about. Choose the access plan, call arrangements and opening hours that match your own schedule.

## La Maquinita · Palermo Soho / selected branch

A work option to ask about. Choose the access plan, call arrangements and opening hours that match your own schedule.

## Before opening the laptop

Try a call from the seat you will use, ask where conversations belong and check how you would work if the home connection stopped. Keep one enjoyable, easy outing for after the workday.

LEAVE A LITTLE FLEXIBILITY

# Pack for the day you find.

Choose the sleeping room as carefully as the neighborhood. An apartment beside evening activity can feel very different from one a few streets away.

## A feel for the seasons

The local climate reference spans monthly mean temperatures of 11.2–24.9°C. These are monthly averages, not daily highs or a forecast. Bring layers and choose outdoor plans for the conditions on the day.

## Small things worth carrying

- ☐ Water & something for a change in weather
- ☐ Comfortable shoes for the actual surfaces
- ☐ Your accommodation address saved offline
- ☐ A little room in the day for an unexpected stop
