A LITTLE LOCAL GUIDE TO

# Las Palmas

*A city with the beach beside it*

SPAIN

Good days, small discoveries & a rhythm of your own.

HELLO, TRAVELER

# Find your little corner.

You do not need to see everything. Start with a place you would enjoy coming back to.

## 01 Las Canteras / Santa Catalina

Beach with city convenience. Choose a home that makes your daily food and work stops easy to repeat. Walk the last stretch before deciding whether it suits the stay you want.

## 02 La Cicer

Surf and a repeatable routine. Choose a home that makes your daily food and work stops easy to repeat. Walk the last stretch before deciding whether it suits the stay you want.

## First morning

Put your bags down, find something to eat and take one short walk near your home. Learn the return route while it is light. A familiar corner is a good first discovery.

A DAY TO EASE INTO

# Start small. Leave room.

Three ways to shape a first day. Use transport between areas when needed; there is no need to rush through every stop.

1

A gentle beginning

## Explore Las Canteras / Santa Catalina

Start with this as your first anchor, then leave time for a drink or a meal before deciding what comes next.

2

A proper pause

## Papas arrugadas on the table

Give this its own pocket of time. Pick the part that interests you rather than trying to cover everything at once.

3

One small adventure

## Las Canteras beach walk

Keep this as another day's possibility if the first two plans already feel full. There is no prize for finishing the list.

A FEW GOOD REASONS TO GO OUT

# Follow your curiosity.

Let a Las Canteras walk be a simple daily ritual. Give Vegueta and one of its cultural stops a separate outing, so you are not constantly switching between beach time and sightseeing. A botanical-garden visit is another plan for a day beyond your usual neighborhood.

## Casa de Colón visit

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

## CAAM art visit

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

## Triana street exploration

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

ONE SMALL WAY INTO A PLACE

# Stay for lunch.

## Papas arrugadas on the table

Papas arrugadas, small salt-cooked potatoes served with sauce, are an easy introduction to Canarian food. Make room for a shared plate alongside a more familiar meal. Beachfront dining and the streets behind it can offer quite different settings for the same lunch break.

### Make it your own

Choose the version that suits your appetite and dietary needs. Ask about fillings, sauces and preparation rather than assuming a dish is the same everywhere.

## A *little ritual*

Return to a place you liked. Learn a name, notice what changes on the menu, and let an ordinary meal become part of the memory.

FOR THE DAYS YOU WORK

# A desk.
# A little balance.

Leave part of the week ordinary. A comfortable working day gives the exploring days room to breathe.

### Soppa de Azul · Las Palmas

A work option to ask about. Choose the access plan, call arrangements and opening hours that match your own schedule.

### White Forest · La Cicer

A work option to ask about. Choose the access plan, call arrangements and opening hours that match your own schedule.

## Before opening the laptop

Try a call from the seat you will use, ask where conversations belong and check how you would work if the home connection stopped. Keep one enjoyable, easy outing for after the workday.

LEAVE A LITTLE FLEXIBILITY

# Pack for the day you find.

A city beach is still open water. Use the designated bathing information and local conditions when deciding whether to swim.

## Keep an indoor option

Choose a cultural stop, a long lunch or another indoor plan you would enjoy if rain, heat or wind changes the day. Outdoor plans are easier to enjoy when you have an appealing alternative.

## Small things worth carrying

- ☐ Water & something for a change in weather
- ☐ Comfortable shoes for the actual surfaces
- ☐ Your accommodation address saved offline
- ☐ A little room in the day for an unexpected stop
