A LITTLE LOCAL GUIDE TO

# Oaxaca

*A little more time at the table*

MEXICO

Good days, small discoveries & a rhythm of your own.

HELLO, TRAVELER

# Find your little corner.

You do not need to see everything. Start with a place you would enjoy coming back to.

## 01 Jalatlaco

A neighborhood to explore on foot before settling into a longer stay. Notice your grocery, café and work routes, not only the central square.

## 02 Xochimilco

Try a different neighborhood circuit and compare the individual home. Give food, sleep and work equal weight in the choice.

## First morning

Put your bags down, find something to eat and take one short walk near your home. Learn the return route while it is light. A familiar corner is a good first discovery.

A DAY TO EASE INTO

# Start small. Leave room.

Three ways to shape a first day. Use transport between areas when needed; there is no need to rush through every stop.

1

A gentle beginning

## Explore Jalatlaco

Start with this as your first anchor, then leave time for a drink or a meal before deciding what comes next.

2

A proper pause

## Tlayudas & market mornings

Give this its own pocket of time. Pick the part that interests you rather than trying to cover everything at once.

3

One small adventure

## Explore the markets around Centro

Keep this as another day's possibility if the first two plans already feel full. There is no prize for finishing the list.

A FEW GOOD REASONS TO GO OUT

# Follow your curiosity.

Give the markets and Santo Domingo area separate pockets of time rather than rushing from one to the other. Monte Albán is a distinct outing outside your daily neighborhood routine. Plan it for a day when you can enjoy the site without returning straight into work.

## Explore the markets around Centro

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

## Visit the Santo Domingo cultural area

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

## Make a separate Monte Albán trip

Make this a separate outing and give the journey home its own place in the plan.

ONE SMALL WAY INTO A PLACE

# Stay for lunch.

## Tlayudas & market mornings

A tlayuda is a large tortilla with toppings that can make a meal in its own right. Oaxaca's moles offer a different reason to sit down and ask questions. Start with the market food that interests you, and leave room to return for something else another day.

### Make it your own

Choose the version that suits your appetite and dietary needs. Ask about fillings, sauces and preparation rather than assuming a dish is the same everywhere.

## A *little ritual*

Return to a place you liked. Learn a name, notice what changes on the menu, and let an ordinary meal become part of the memory.

FOR THE DAYS YOU WORK

# A desk.
# A little balance.

Leave part of the week ordinary. A comfortable working day gives the exploring days room to breathe.

## Céntrico Cowork · Jalatlaco

A work option to ask about. Choose the access plan, call arrangements and opening hours that match your own schedule.

## Outsite Oaxaca workspace · Jalatlaco / Centro

A shared work option attached to a stay. Treat it as an accommodation choice rather than assuming public day-pass access.

## Before opening the laptop

Try a call from the seat you will use, ask where conversations belong and check how you would work if the home connection stopped. Keep one enjoyable, easy outing for after the workday.

LEAVE A LITTLE FLEXIBILITY

# Pack for the day you find.

Highland evenings and sunny afternoons can feel different. Pack a light layer and leave outdoor plans flexible around seasonal rain.

## A feel for the seasons

The local climate reference spans monthly mean temperatures of 18.1–23.3°C. These are monthly averages, not daily highs or a forecast. Bring layers and choose outdoor plans for the conditions on the day.

## Small things worth carrying

- ☐ Water & something for a change in weather
- ☐ Comfortable shoes for the actual surfaces
- ☐ Your accommodation address saved offline
- ☐ A little room in the day for an unexpected stop
