A LITTLE LOCAL GUIDE TO

Split

Stone streets, salt air

CROATIA

Good days, small discoveries & a rhythm of your own.

HELLO, TRAVELER

Find your little corner.

You do not need to see everything. Start with a place you would enjoy coming back to.

01 Varo□ / western centre

History and park access. Choose a home that makes your daily food and work stops easy to repeat. Walk the last stretch before deciding whether it suits the stay you want.

02 Firule / Ba□vice edges

A residential coastal routine. Choose a home that makes your daily food and work stops easy to repeat. Walk the last stretch before deciding whether it suits the stay you want.

First morning

Put your bags down, find something to eat and take one short walk near your home. Learn the return route while it is light. A familiar corner is a good first discovery.

A DAY TO EASE INTO

Start small. Leave room.

Three ways to shape a first day. Use transport between areas when needed; there is no need to rush through every stop.

1

A gentle beginning

Explore Varo□ / western centre

Start with this as your first anchor, then leave time for a drink or a meal before deciding what comes next.

2

A proper pause

A Dalmatian dinner

Give this its own pocket of time. Pick the part that interests you rather than trying to cover everything at once.

3

One small adventure

Diocletian’s Palace exploration

Keep this as another day’s possibility if the first two plans already feel full. There is no prize for finishing the list.

A FEW GOOD REASONS TO GO OUT

Follow your curiosity.

Begin with the palace streets, then leave time for the Riva. Give Marjan a separate outing so you can enjoy the climb and green space without a museum deadline. A Ba□vice visit adds another easy change of scene when you want to be near the water.

Ba□vice beach and picigin watching

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

Fish market visit

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

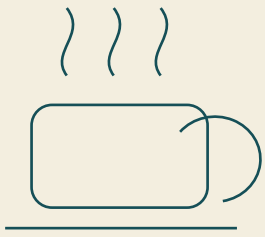

Green market food visit

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

ONE SMALL WAY INTO A PLACE

Stay for lunch.

A Dalmatian dinner

Black risotto and pa□ticada with gnocchi are two different ways to explore Dalmatian cooking. Choose one for a longer meal rather than collecting every dish in a single sitting. The fish and green markets make a separate food-focused wander.

Make it your own

Choose the version that suits your appetite and dietary needs. Ask about fillings, sauces and preparation rather than assuming a dish is the same everywhere.

A little ritual

Return to a place you liked. Learn a name, notice what changes on the menu, and let an ordinary meal become part of the memory.

FOR THE DAYS YOU WORK

A desk.
A little balance.

Leave part of the week ordinary. A comfortable working day gives the exploring days room to breathe.

Smartspace · Old Town

A work option to ask about. Choose the access plan, call arrangements and opening hours that match your own schedule.

Digitalna Dalmacija · Ru□era Bo□kovi□a 25

A membership-led option. Ask whether its community or profession requirements suit you before making it your regular desk.

Before opening the laptop

Try a call from the seat you will use, ask where conversations belong and check how you would work if the home connection stopped. Keep one enjoyable, easy outing for after the workday.

LEAVE A LITTLE FLEXIBILITY

Pack for the day you find.

Sleeping beside the old-town activity and staying on a quieter residential street are different experiences. Ask about access and bedroom noise before a longer stay.

Keep an indoor option

Choose a cultural stop, a long lunch or another indoor plan you would enjoy if rain, heat or wind changes the day. Outdoor plans are easier to enjoy when you have an appealing alternative.
