A LITTLE LOCAL GUIDE TO

Tbilisi

Courtyards, hills & long meals

GEORGIA

Good days, small discoveries & a rhythm of your own.

HELLO, TRAVELER

Find your little corner.

You do not need to see everything. Start with a place you would enjoy coming back to.

01 Vera

Cafés and city character. Choose a home that makes your daily food and work stops easy to repeat. Walk the last stretch before deciding whether it suits the stay you want.

02 Vake

Parks and residential life. Choose a home that makes your daily food and work stops easy to repeat. Walk the last stretch before deciding whether it suits the stay you want.

First morning

Put your bags down, find something to eat and take one short walk near your home. Learn the return route while it is light. A familiar corner is a good first discovery.

A DAY TO EASE INTO

Start small. Leave room.

Three ways to shape a first day. Use transport between areas when needed; there is no need to rush through every stop.

1

A gentle beginning

Explore Vera

Start with this as your first anchor, then leave time for a drink or a meal before deciding what comes next.

2

A proper pause

Try khinkali slowly

Give this its own pocket of time. Pick the part that interests you rather than trying to cover everything at once.

3

One small adventure

Old Tbilisi street walk

Keep this as another day's possibility if the first two plans already feel full. There is no prize for finishing the list.

A FEW GOOD REASONS TO GO OUT

Follow your curiosity.

Choose an old-town walk, then decide whether the afternoon is for the botanical garden or a bath visit. Mtatsminda makes a separate outing. Keeping those choices apart gives you more time for the streets and courtyards between the larger sights.

Mtatsminda outing

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

Botanical Garden visit

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

Georgian food exploration

ONE SMALL WAY INTO A PLACE

Stay for lunch.

Try khinkali slowly

Khinkali are filled dumplings, and a good reason to stop for a meal rather than eat while walking. Start with a manageable order and ask about the fillings. Give yourself another meal for a different part of Georgian cooking instead of ordering everything at once.

Make it your own

Choose the version that suits your appetite and dietary needs. Ask about fillings, sauces and preparation rather than assuming a dish is the same everywhere.

A *little ritual*

Return to a place you liked. Learn a name, notice what changes on the menu, and let an ordinary meal become part of the memory.

FOR THE DAYS YOU WORK

A desk.
A little balance.

Leave part of the week ordinary. A comfortable working day gives the exploring days room to breathe.

Impact Hub Tbilisi · Fabrika

A work option to ask about. Choose the access plan, call arrangements and opening hours that match your own schedule.

Terminal · Selected Tbilisi branch

A work option to ask about. Choose the access plan, call arrangements and opening hours that match your own schedule.

Before opening the laptop

Try a call from the seat you will use, ask where conversations belong and check how you would work if the home connection stopped. Keep one enjoyable, easy outing for after the workday.

LEAVE A LITTLE FLEXIBILITY

Pack for the day you find.

The walk back can be steeper than the walk out. Look at the route to your accommodation before finishing the evening on the other side of a hill.

A feel for the seasons

The local climate reference spans monthly mean temperatures of 2.9–25.8°C. These are monthly averages, not daily highs or a forecast. Bring layers and choose outdoor plans for the conditions on the day.

Small things worth carrying

- ☐ Water & something for a change in weather
