A LITTLE LOCAL GUIDE TO

Ubud

Leave room for the green

INDONESIA

Good days, small discoveries & a rhythm of your own.

HELLO, TRAVELER

Find your little corner.

You do not need to see everything. Start with a place you would enjoy coming back to.

01 Central Ubud

Culture and food nearby. Choose a home that makes your daily food and work stops easy to repeat. Walk the last stretch before deciding whether it suits the stay you want.

02 Penestanan

A greener working routine. Choose a home that makes your daily food and work stops easy to repeat. Walk the last stretch before deciding whether it suits the stay you want.

First morning

Put your bags down, find something to eat and take one short walk near your home. Learn the return route while it is light. A familiar corner is a good first discovery.

A DAY TO EASE INTO

Start small. Leave room.

Three ways to shape a first day. Use transport between areas when needed; there is no need to rush through every stop.

1

A gentle beginning

Explore Central Ubud

Start with this as your first anchor, then leave time for a drink or a meal before deciding what comes next.

2

A proper pause

A meal in a warung

Give this its own pocket of time. Pick the part that interests you rather than trying to cover everything at once.

3

One small adventure

Monkey Forest visit

Keep this as another day's possibility if the first two plans already feel full. There is no prize for finishing the list.

A FEW GOOD REASONS TO GO OUT

Follow your curiosity.

Choose a ridge walk for a cooler part of the day, then leave time for an art museum or a neighborhood wander. Make the Monkey Forest a distinct visit: follow staff instructions and keep food and loose belongings secured around the animals.

Neka Art Museum

Choose this when you want a different pace from the rest of your day. Keep the next commitment flexible.

ONE SMALL WAY INTO A PLACE

Stay for lunch.

A meal in a warung

A warung is a useful place to explore Indonesian home-style food. Babi guling, roast suckling pig, is one well-known Balinese option; vegetarian and vegan cafés also form part of Ubud's food scene. Choose for your preferences rather than treating one dish as compulsory.

Make it your own

Choose the version that suits your appetite and dietary needs. Ask about fillings, sauces and preparation rather than assuming a dish is the same everywhere.

A *little ritual*

Return to a place you liked. Learn a name, notice what changes on the menu, and let an ordinary meal become part of the memory.

FOR THE DAYS YOU WORK

A desk.
A little balance.

Leave part of the week ordinary. A comfortable working day gives the exploring days room to breathe.

Ubud Space · Ubud

A work option to ask about. Choose the access plan, call arrangements and opening hours that match your own schedule.

Sembari · Ubud

A work option to ask about. Choose the access plan, call arrangements and opening hours that match your own schedule.

Before opening the laptop

Try a call from the seat you will use, ask where conversations belong and check how you would work if the home connection stopped. Keep one enjoyable, easy outing for after the workday.

LEAVE A LITTLE FLEXIBILITY

Pack for the day you find.

Green surroundings do not guarantee a quiet bedroom or an easy walk. Check the last stretch to your home as well as the distance to the centre.

Keep an indoor option

Choose a cultural stop, a long lunch or another indoor plan you would enjoy if rain, heat or wind changes the day. Outdoor plans are easier to enjoy when you have an appealing alternative.
